

Shorecrest Monthly Meeting was held November 16<sup>th</sup> 2024 in the clubhouse.

Craig Larsen, Art Parker and Carolynne Brown attending.

Since there was not a quorum of Board members the meeting was an informal informational meeting for members and staff to discuss on-going events and concerns.

The Leash Law was discussed and community members voiced concerns regarding dogs running loose. This has been discussed numerous times at other meetings but unless we know who the dog belongs to, and we have received written complaints we really have no recourse. There has been a sign posted on the big information board for over a month to Keep pets on a leash.

Art Parker and Craig Larsen informed everyone about the Water Company proposal regarding Foreclosure on Property. This will be discussed further and the membership will be kept informed.

The suggestion of installing a speed sign on Crestview Dr. was brought up and the Board will do some investigating on the cost and what is involved with having a sign installed.

November 30 from 9:30 until Noon a “Clean and Simple” Workshop will be held in the Clubhouse. Flyers are posted in the clubhouse and information is also on our website.

A tentative date of November 26<sup>th</sup> was set for the Budget meeting for our 2025/26 year.

Meeting was adjourned and 11:20am
